EXPERIENCE

Kusor ai, Delhi — *Full stack developer intern*

July 2023 - July 2023

I've created a **chat system** where users can talk to **Chat-GPT, Bing, and Bard**, making it easy to have different types of conversations.

Integrated **ChatGPT and Bing** with **LinkedIn** messaging functionality, facilitating **powerful connections** and **job detail analysis** for users.

Effortlessly added **Gmail** to the system, making it **automatically write emails** for users.
